

from the Pondera County Treasurer...

Form 2290 Information

Heavy Highway Vehicle Use Tax

July 1st – September 30th (review the note below)

The Pondera County Treasurer's Office needs to receive the IRS stamped copy of the Form 2290 in order to register or sell GVW for a truck over 56,000 lbs. If you are waiting for your stamped IRS copy, the Treasurer's office can take a copy of what was filed with the IRS for the time being, but will need a stamped copy as soon as it is available.
